

OEM Quality Gaskets & Seals

From Denmark

Danish Quality Since 1938

Established in **1938**, Elwis Royal A/S is **one of the world's oldest manufacturers** of high-quality gaskets and sealing solutions. As a family-owned **Danish company**, we take pride in our legacy, with leadership passed down through generations—ensuring continuity, craftsmanship, and commitment to excellence. For **over 85 years**, Elwis Royal has been a trusted supplier to the global automotive aftermarket, delivering precision-engineered sealing products that meet the **highest standards** of durability and performance. We are proud of our heritage—and even prouder of the quality we deliver every day.

Our Position in the Gasket Market

We position Elwis Royal as a preferred gasket brand for the automotive aftermarket segment. Most of our distributors typically include Elring or Reinz in their portfolio, with Elwis Royal serving as their **dedicated aftermarket brand**. Our products are distributed through some of the largest and most reputable aftermarket distributors worldwide, ensuring strong market coverage and availability.

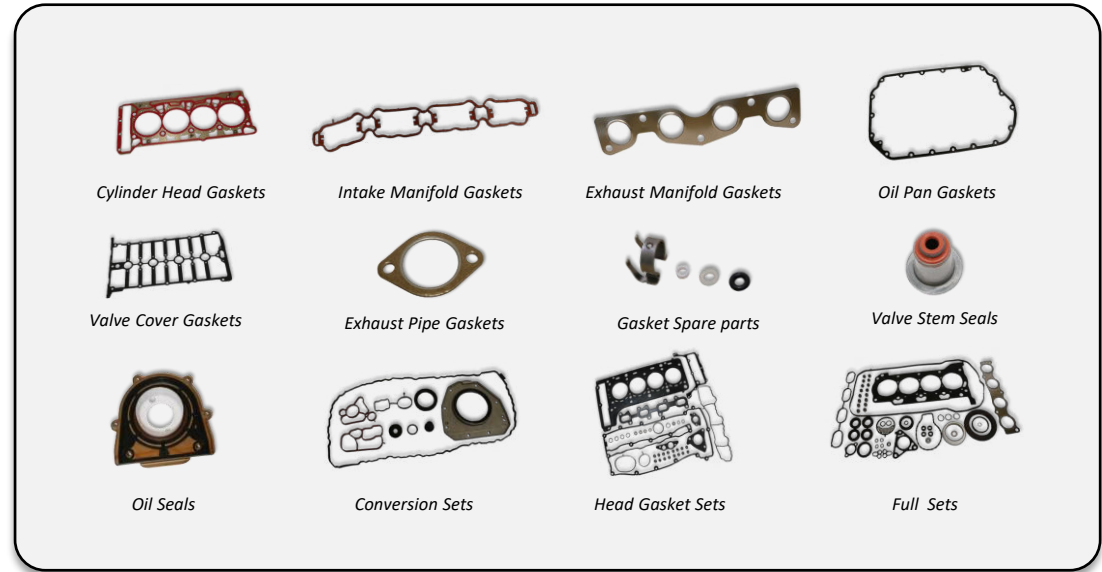

Global Reach and Strategic Partnerships

Elwis Royal A/S works closely with a network of trusted distributors across **Europe, Asia, and North America**, ensuring our products are readily available in key markets. We are proud to be direct suppliers to several well-known **OEM manufacturers**, who rely on our precision and quality in their production processes. Our portfolio of clients and markets is constantly expanding and today, Elwis Royal products are present in more than **40 countries worldwide**, reflecting our strong global footprint.

OEM	• Manufacturers	• Elring, Reinz, Payen, Goetze
Aftermarket	• Manufacturers	• Elwis Royal , Ajusa, Glaser, Corteco
Private label	• Resellers	• Febi, Topran, BGA, FAI

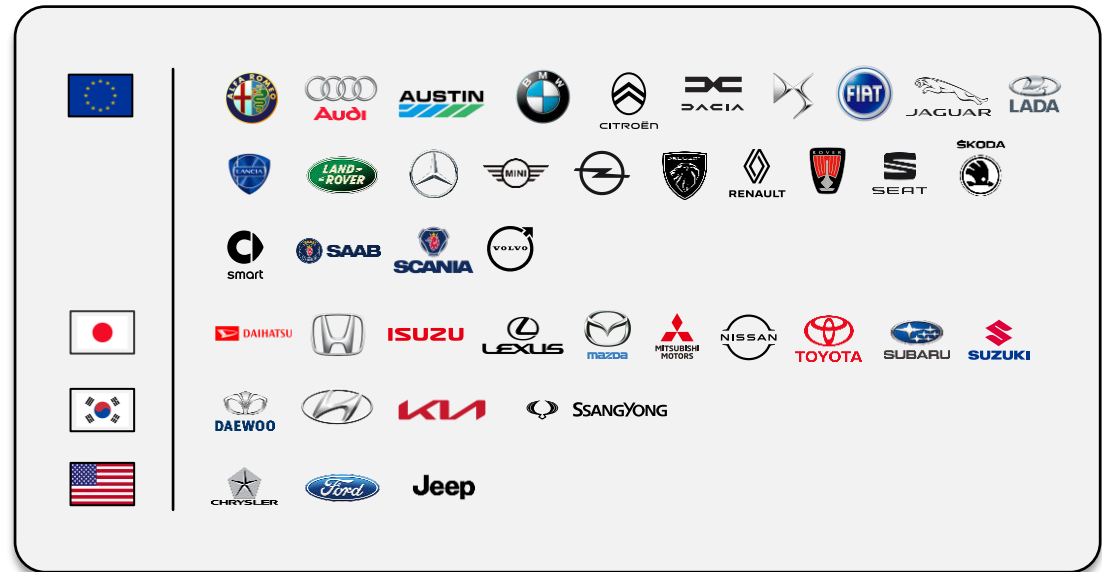

Our Program

At Elwis Royal, we offer a comprehensive range of high-quality gaskets and sealing solutions designed to meet the needs of both passenger cars and heavy-duty applications. Our program currently consists of **3.000+ fast-moving products**, including **cylinder head gaskets, intake and exhaust manifold gaskets, oil pan gaskets, valve cover gaskets, and exhaust pipe gaskets**. In addition, we supply **valve stem seals, oil seals, as well as head gasket sets, conversion sets and full sets** for complete engine repair. Every product is engineered for precision, durability, and performance, meeting or even exceeding the **OEM standards**.

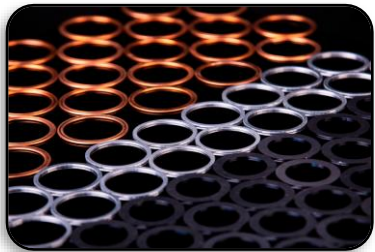

Brands We Cover

We focus on **European and Asian passenger car** brands, ensuring a comprehensive range of sealing solutions for the most popular vehicles in these markets. In addition, our portfolio also includes products for **trucks and heavy-duty** applications, meeting the demanding requirements of commercial and industrial vehicles.

1. Quality Without Compromise

At Elwis Royal, quality is our **highest priority**. We deliver **OE-identical products** that meet the strictest industry standards. Our operations are certified under **ISO 9001:2015** and **ISO 14001:2015**, ensuring consistent quality and environmental responsibility. As a **certified TecDoc data supplier**, we provide accurate and reliable product information to our partners. All Elwis Royal products come with a **24-month warranty from the invoice date**, and our **claim rate is only 0.01%**, reflecting the exceptional reliability of our products.

2. Value for Money

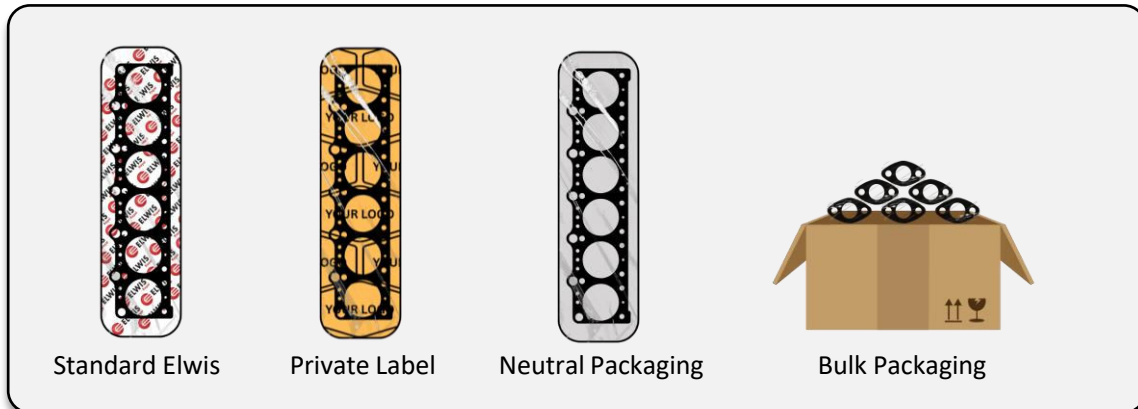

We maintain **price parity** in line with our market positioning, ensuring fair and consistent pricing for our partners. Elwis Royal is offering a highly competitive alternative without compromising on quality. We achieve this by focusing on the **1,000 most important gaskets in the aftermarket**, prioritizing **current and newly introduced gasket applications** to ensure relevance and strong coverage for our clients. This strategic approach allows us to deliver top-quality products at competitive prices.

4. Reliable and Flexible Logistics

We offer full flexibility to meet your specific logistical requirements. Our **average delivery performance is 95%**, ensuring consistent and timely order fulfillment. All products are shipped from our **warehouse in Copenhagen**, with delivery typically completed within **1 to 1.5 weeks** after receiving the order.

6. More Than a Supplier – A True Partner

At Elwis Royal, we prioritize **close cooperation** with our clients. Our **customer service** is always maintained at a **high level**, offering **fast and reliable support**. We believe in building strong relationships, and you can always count on us to find a solution that works for your business. In addition to exceptional service, we provide marketing support to help our partners grow. This includes **differentiated marketing** and assistance with the **design and distribution of promotional materials** —tailored to strengthen the presence in the market.
