

Who We Are

85 Years of Manufacturing Expertise

Founded in 1938, Elwis Royal A/S is one of the world's oldest manufacturers of premium gaskets and sealing solutions. As a family-owned Danish company, our legacy spans generations - ensuring continuity, craftsmanship, and excellence. For over 85 years, we've been a trusted supplier to the global automotive aftermarket, delivering precision-engineered products that meet the highest standards of durability and performance. We take pride in our heritage - and even more in the quality we deliver every day.

From Denmark to the World

We partner with trusted distributors across Europe, Asia, and North America, ensuring product availability in key markets. We proudly supply several leading OEM manufacturers who depend on our precision and quality. With a growing client base, Elwis Royal products are now present in over 40 countries, reflecting our strong global footprint.

Preferred in the Aftermarket Segment

We position Elwis Royal as a preferred gasket brand for the automotive aftermarket segment. Our focus is on delivering high-quality sealing solutions at highly competitive prices - offering exceptional value for money to distributors and end-users worldwide.
